SIR,

I have the honor to forward herewith copy of letter No.627 dated 25-2-30 from the Secretary to the Advisory Committee of the Sri Chamarajendra Veda Mahapatasala, Bangalore, requesting sanction for the entertainment of one more peon on Rs.10/- per mensem. There is, at present, only one peon in the Patasala on Rs.12/- per mensem. It is reported that the menial duties in connection with the work in the Patasala itself are too heavy for one individual and that much difficulty is felt in the Patasala when the peon goes out on business to the Treasury and other places and also during nights for the watch and ward of the Patasala building and the premises. The Patasala Committee have therefore recommended the appointment of one more peon on Rs.10/- per mensem. The Secretary of the Patasala Committee in forwarding the resolution of the Committee states that this peon may also be entrusted with the work of the present sweeper who is being paid Rs.5/- per mensem out of the contingent grant of the Patasala, the extra cost involved in this behalf being met from the Savings resulting by the abolition of the allowance of Rs.10/- per mensem to the Clerk from January 1930.

In these circumstances I request that sanction of Government may kindly be obtained for the resolution of the Patasala Committee for entertaining an additional peon on Rs.10/- per mensem, the extra cost involved during the current year being met from the general savings of the Patasala Grant and from next year onwards from the provision to be

made in the Budget.

The scale may also be ordered to be included 1930-31.

I have the honor to be

Sir,

Your most obedient servant

Muzrai Commissioner.

---

I have the honor to submit herewith an extract from the proceedings n of the meeting of the Advisory Committee of the Chamarajendra Veda Maha Pa tasala, held on 14-2-30 recommending that a peon on Rs 10/-p.m. may kindly be sanctioned, for the Patasala.

At present there is only one peon in the Patasala. His duties in connection with the Patasala itself are heavy, and he has often to be sent out on business to the Treasury or other places. There will then be left none to look after the Patasala. At night the Patasala building is often left to itself as one individual cannot be expected to be present at all hours of day and night. As a consequence the business of watch and ward is very ill done offering tempting opportunities to burglars and other evil-minded people to appropriate or tamper with the properties of the Patasala including a large number of vessels and articles stored for the hostel.

In these circumstances I am to request that an additional peon on Rs 10/- p.m. may kindly be sanctioned ~~to~~ for the Patasala. He will also do th work of the present sweeper who is paid Rs 5/- p.m. This amount is too in adequate to obtain the services of a permanent man, who will undertake to do all the work which cannot be done by the single man now given.

The additional cost involved in the above proposal, I may suggest, ma be met from the savings brought about by abolishing the clerical allowance of Rs 10/- which was being paid in the early part of this year. I am to request that very early orders may kindly be communicated sanctioning the appointment and the cost included in the Budget for 1930-31, the small amount that may be needed for the current year being met by the savings which will be shown later.
